

Using Reputable Affiliate Programs-He Makes \$2.36 Million!

Breaking news! A 25 year-old Maverick Internet Marketer has created new Google software... which allows him and his fellow 'partners in crime' to quietly siphon up to \$2,750 per day from Google using reputable affiliate programs, right under the noses of the establishment.

He has recently used this tool to siphon \$64,400 from Google in just a short period of time - all with "one little ad"...And now he's giving you the chance to swipe his automated system - and generate a second income from home...This story is already sending major shockwaves throughout the Internet Marketing Community.

So what is all the fuss about? This is a story of how a 25 year-old "underground" marketer went from zero to over a one million dollars a year using the Internet - and how he helped several regular people become successful Internet Marketers. Some making up to \$100/day... in just 2 weeks. Case Study No. 1: Tyson X pulled in an average of \$145 a day with his first Adwords campaign. Case Study No. 2: Anthony Joshua has just had his first \$500 net profit week. And now, for the first time, you can use this unique system to reel in an internet income from the comfort of your home.

Chris X of "Day Job Killer" fame has decided to release his new and revolutionary Google Nemesis software system, which is fast becoming the talk of the Internet Marketing Industry. The really remarkable thing about this system isn't just it's *profitability* - although Chris has already made as much as \$2,700 per day with one "little Google ad".

The amazing thing isn't even the *power* of the Google Nemesis software - despite the fact that this futuristic tool can "predict" conversion rates. No, ...in fact, the most amazing thing is its raw *simplicity*. It simply works great with reputable affiliate programs and is so easy to operate that even a 7 year-old child can make money using it. Now even the greenest of newbies can clone the moves of the "silent elite" who once hogged all the profits. It sounded so good that I had to check it out immediately:

Do you know what I discovered: It is like nothing I have seen before... This 'beast' is called the Google Nemesis, and it's without a any doubt at all, the most profitable... and most powerful online money-making tool anywhere in the world. The creator, Chris X spent well over \$60,000 and paid 2 full-time expert programmers 24/7, over a period of nine long months to develop this internet marketing miracle.

Ok, what can it exactly do? This remarkable new system 'clones' the moves of the most successful underground affiliates... and then super-charges those moves and tells you what you need to do, step-by-step, in order to copy their success and launch your own winning adword campaigns.

Google Nemesis may be the only tool in the world that lets you play the Google 'Adwords' game with your own rules and on your own time. This marketing tool that does everything - finds hot products, creates websites, and even *predicts* conversion rates - giving you everything you need to profit. This closely guarded tactic has made some savvy underground affiliates millions already- and they tried to keep it a secret from you - until NOW.

Google Nemesis is as close as you'll get to push button profiteering: - simplicity: this dummy-proof software does everything for you... create cash-pulling websites using the proven templates, launch your campaign, and just follow the simple prompts to siphon off an easy second income from home- no more bloated Adwords costs - Nemesis tracks keywords automatically, using Chris's hidden three-step formula.

Look under the hood of your promotions, and see where the BIG money is... in 1/5 the time - and at little as a quarter of the cost. - a proven, hands-off system to use with reputable affiliate programs: You will use the exact same website templates that Chris used to pump Google for \$2,000 a day, and swipe the top profit opportunities from the elite super affiliates.
